## Acknowledgement of receipt and appreciation for support

Respected Committee Members,  
IOWA Nepalese Association,

Warm Greetings from the Kalinchowk Yuba Club, Dolakha.

On behalf of KYC, we would like to thank you and the entire IOWA Nepalese Association for the generous contribution of US \$ 4200 for the earthquake relief fund. In the wake of the massive destruction, the strong support that we have received from the national and international community has been a great source of encouragement in forwarding the relief and rehabilitation efforts in our country. KYC has been mobilizing its members through out the relief process and they have been working tirelessly to ensure that your generous contributions made in good faith are put to the best possible use for relief and rehabilitation efforts.

We will ensure that the relief activities are continued to be updated in our website for you to keep track of the relief works being undertaken.

Once again, we would like to thank the IOWA Nepalese Association for your contribution and we would like to express our commitment in furthering our efforts to help overcome this disaster that has befallen our country.

With Best Regards,

President

Kalinchowk Yuba Club, Dolakha
