Respected Committee Members,

IOWA Nepalese Association,

Warm Greetings from the Confederation of Nepalese Industries (CNI).

On behalf of CNI, we would like to thank you and the entire **IOWA Nepalese Association** for the generous contribution of US \$10,000 for the earthquake relief fund. In the wake of the massive destruction, the strong show of support that we have received from the national and international community has been a source of great encouragement in forwarding the relief and rehabilitation efforts in our country. We at CNI jointly with the MaHa Sanchar through the CITIZEN RELIEF FUND have been working tirelessly to ensure that your generous contributions made in good faith are put to the best possible use for relief and rehabilitation efforts.

We will ensure that the relief activities are continued to be updated in our website for you keep track of the relief works being undertaken.

Once again, we would like to thank the IOWA Nepalese Association for their contribution and we would like to express our commitment in furthering our efforts to help overcome this disaster that has befallen our country.

Warm Regards,

Secretariat**CONFEDERATION OF NEPALESE INDUSTRIES**
